

## Absolutely the best Trump/CNN meme out there

When CNN declared war against the meme makers, they had no idea the talent and genius of their opponents.

And there have been some damn good ones created over the last week and a half.

I'm sure you've all seen the Bugs Bunny one.

The BEST Trump-CNN meme, thus far. Well worth your time. [pic.twitter.com/qRN7s1WpSL](https://pic.twitter.com/qRN7s1WpSL) — Josh Caplan (@joshdcaplan) [July 8, 2017](#)

Up until now, that one was my favorite.

And it's still way up there on the list of the best.

But last night, [@joshdcaplan](#) tweeted out what is hands down the best Trump/CNN meme made thus far.

??BEST??MEME??EVER??#CNNMemeWar [pic.twitter.com/t1vqZWe4Hm](https://pic.twitter.com/t1vqZWe4Hm) — Josh Caplan (@joshdcaplan) [July 13, 2017](#)

Holy smokes!

The detail!

This must have taken the meme-maker hours to put together.

And can you believe the cast of characters?!

Milo, Mad-Dog Mattis, Alex Jones...

Diamond & Silk?!

So terrific.

Whoever made this one deserves a pat on the back.

And an Academy Award.
