

Yes. Planned Parenthood is that dumb

Say, if you're going to make a propaganda film about Planned Parenthood, do you think it would be a good idea to use the word 'slay' in your publicity?

That's just all kinds of stupid.

But that's exactly what Planned Parenthood did to promote Joss Whedon's bit of Pravda-style propaganda called 'Unlocked' -- the story of what the world would be like without the abortion mill.

See, they were trying to be clever.

Whedon's most famous creation is none other than Buffy the Vampire Slayer.

So, the brain trust as Planned Parenthood decided to play off of that. And as a result, stepped on a rake.

Take a look:

Yes, my friends. The dimwitted dames of Planned Parenthood are that dumb.

I was going to add the Homer Face/palm to the image, but Homer took one look at that and spontaneously combusted.

How many times do I have to say it? Liberals are completely lacking in self-awareness.

I mean, forget the fact that Joss Whedon has become the Leni Riefenstahl for the Left. That alone is so pathetic and sad ? especially for those of us who are fans of ?Buffy,? ?Angel? and ?Firefly.?

But using the word ?slay? to promote a pro-abortion propaganda piece shows a level of cluelessness I didn't think possible among sentient human beings.

Honestly, Planned Parenthood deserves to be defunded just for this.
